

## Autumn Thank You Cards

thank you

**Thanksgiving is in the month of November and it is a good time to show people that care about us and do nice things for us that we are thankful for them! We can show people that we are thankful by doing nice things. When we say and do nice things for people, it makes people feel special.**

### **Supply List :**

Leaves

Paper - Thick is best for painting.

Paint - Any colors you choose.

Marker - To write your special message.

Art Smock

Paper Towels

Water -

Paint Brushes - Or fingers for messy play

Scissors - If you're cutting your paper

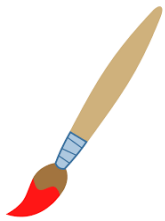

## **Instructions-**

### **Step 1 -**

Time to explore and **gather leaves!** Try to spy different sizes and colors of leaves so you have a variety.

### **Step 2 -**

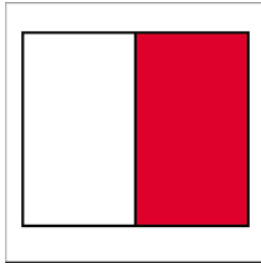

**Lay your leaf flat** and with the paint color of your choice, **paint one side of your leaf.** You can use a paint brush or your fingers for some extra messy fun!

### **Step 3 -**

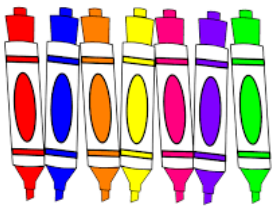

**First, flip your leaf over** so the painted side of your leaf is on your paper. **Then, press the leaf flat** with your hands and fingers.

**Step 4 -**

When your majestic painting is dry, **fold the paper in 1/2 (half).**

**Step 5 -**

With whatever marker you choose, **write Thank you or Thankful over the top of your leaf painting.** You can add a special message or decorate any way you want!

**Step 6 -**

**Give or mail your card** to someone that you are thankful for!
